Description : Description du produitEvery English-language writer knows Strunk and White's famous little writing manual, The Elements of Style. Many people between the ages of seventeen and seventy can recite the book's mantra--make every word tell--and still refer to their tattered grade school copy when in need of a hint on how to make a turn of phrase clearer, or a reminder on how to enliven prose with the active voice. Considering that millions of copies have been sold to millions of devotees, you might not think to ask what could enhance this (almost) perfect classic. In fact, the addition of illustrations allows readers to experience the book's contents in a completely new way, making the whole learning experience more colorful and clear, as well as adding a whimsical element that compliments the subtly humorous tone of the prose. The Elements of Style Illustrated will come to be known as the definitive, must-have edition. Maira Kalman is the offbeat and wildly talented illustrator of twelve children's books, numerous covers for The New Yorker magazine, fabrics for the fashion designers Isaac Mizrahi and Kate Spade, watches and accessories for the

Museum of Modern Art, and a mural at the elegant Wavehill estate in Riverdale, among other projects. Her sophisticated and witty images that are yet bright and fanciful have won her a devoted following, especially among young urbanites. Maira Kalman is acknowledged by the E. B. White estate as the single artist trusted to illustrate the revered *The Elements of Style*. *The Elements of Style Illustrated* brings a fresh immediacy to the well-loved, much-valued, and still on-point work that has become an institution. While giving the classic work a jolt of new energy to appeal to contemporary readers, Kalman's illustrations are themselves timeless, designed to sit alongside the ever-enduring manual for another fifty years and more. William Strunk and E. B. White's classic writing manual, *The Elements of Style*, has been enriched to include the vibrant, witty, and instantly recognizable images of Maira Kalman in a beautiful illustrated edition. In her own words: "born. bucolic childhood. culture-stuffed adolescence. played piano. stopped. danced. stopped. wrote. discarded writing. drew. reinstated writing. married Tibor Kalman and collaborated at iconoclastic yet successful design studio. wrote and painted children's books. worried. took up Ping-Pong. relaxed. wrote and painted for many magazines. cofounded the Rubber Band Society. amused. children: two. dog: one."
