Description :

Prsentation de l'diteurSelected by Emma Watson for her feminist book club Our Shared ShelfIt's a good time to be a woman: we have the vote and the Pill, and we haven't been burnt as witches since 1727. However, a few nagging questions do remain... Why are we supposed to get Brazilians? Should we use Botox? Do men secretly hate us? And why does everyone ask you when you're going to have a baby? Part memoir, part rant, Caitlin answers the questions that every modern woman is asking.Revue de presse"Moran's writing sparkles with wit and warmth. Like the confidences of your smartest friend" (Simon Pegg)"I adore, admire and - more - am addicted to Caitin Moran's writing" (Nigella Lawson)"Spectacular! Very, very funny, moving and revealing" (Jonathan Ross)"I have been waiting for this book my whole life" (Claudia Winkleman)"Ever

since I was eighteen I've wanted to be as cool as Caitlin Moran. Now this book has shown me how. Witty, wise and wonderful, this is an indispensable guide to Ladyhood. I laughed. I cried. I found out what my favourite writer calls her vagina" (Lauren Laverne) Presentation de l'auteur Selected by Emma Watson for her feminist book club Our Shared Shelf It's a good time to be a woman: we have the vote and the Pill, and we haven't been burnt as witches since 1727.
