**Description :** Description du produitThis edition of Shakespeare's most celebrated war play points to the many inconsistencies in the presentation of Henry V. Andrew Gurr's introduction explains the play as a reaction to the decade of war that preceded its writing, and analyzes the play's double vision of Henry as both military hero and self-seeking individual. Professor Gurr discusses the context of Elizabethan law and morality and provides a comprehensive collection of source materials and a history of the play's stage and film adaptations.

Prsentation de l'diteur\*This Book is annotated (it contains a detailed biography of the author). \*An active Table of Contents has been added by the publisher for a better customer experience. \*This book has been

checked and corrected for spelling errors. Henry V is a history play by William Shakespeare, believed to have been written in approximately 1599. It tells the story of King Henry V of England, focusing on events immediately before and after the Battle of Agincourt (1415) during the Hundred Years' War. In the First Quarto text, it was entitled *The Cronicle History of Henry the fift*, which became *The Life of Henry the Fifth* in the First Folio text. The play is the final part of a tetralogy, preceded by *Richard II*, *Henry IV, Part 1* and *Henry IV, Part 2*. The original audiences would thus have already been familiar with the title character, who was depicted in the *Henry IV* plays as a wild, undisciplined lad known as "Prince Harry" and by Falstaff as "Hal". In *Henry V*, the young prince has become a mature man and embarks on a successful conquest of France.

From *Library Journal* The three individual plays launch the third edition of the venerable "Arden Shakespeare" series, which will see the entire canon reproduced in superior scholarly editions by the year 2000. The First Folio is a facsimile edition of the original 1623 publication of the bard's works. Copyright 1995 Reed Business Information, Inc.
