Description :

Prsentation de l'diteurIf you think quilting is too difficult or too complicated, youre not alone. Cutting hundreds of pieces and joining angled seams can be tough work! But log cabin quiltingan artful and simple way to piece strips of fabric around a central squareis different. From the intuitive construction through the straight-line stitching, this style of quilting is simple as can be.In Modern Log Cabin Quilting, Susan Beal outlines the entire process from start to finish, including basic quilting how-to as well as extensive design, fabric, and embellishment information. Since all log cabin designs follow the same formula, once you master straight lines and right angles, any of the 25 projects in this book are possible. From stash-friendly designs like the Charming Camera Case to more ambitious undertakings like the Vintage Linens Quilt, theres sure to be a project that will get you into (or bring you back to) quilting!From the Trade Paperback edition.Prsentation de l'diteurIf you think quilting is too difficult or too complicated, youre not alone.
