Description :

Prsentation de l'diteur Growing up with heart disease can be difficult, but it does not always have to alter your life course. MY OPEN HEART is written for young adults growing up with heart disease. It's meant to inspire them to chase their dreams, to show that they are not alone, and, perhaps, to help guide them through the maze of life with heart disease. Parents of children with heart disease and other chronic illnesses will find support and inspiration within this true story. We are not alone.
