Description :

Prsentation de l'diteurOvercoming app now available via iTunes and the Google Play Store.A Books on Prescription TitleBreak free from the hell of depressionIf you suffer from depression you are far from alone. Depression is very common, affecting over 300 million people around the world. Written by Professor Paul Gilbert, internationally recognised for his work on depression, this highly acclaimed self-help book has been of benefit to thousands of people including sufferers, their friends and families, and those working in the medical profession.This fully revised third edition has been extensively updated and rewritten to reflect over ten years of new research on understanding and treating depression, particularly the importance of

developing compassionate ways of thinking, behaving and feeling. It contains helpful case studies and new, easy-to-follow, step-by-step suggestions and exercises to help you understand your depression and lift your mood.
