Prsentation de l'diteurWritten by a fourteenth-century cleric, this spiritual allegory explores man in relation to his ultimate destiny against the background of teeming, colorful medieval life.Prsentation de l'diteurWritten by a fourteenth-century cleric, this spiritual allegory explores man in relation to his ultimate destiny against the background of teeming, colorful medieval life.Biographie de l'auteurBorn in about 1332 in Shropshire, the son of a small Oxfordshire landholder, William Langland trained to be a priest but due to the death of his patrons he only took Minor Orders and was unable to advance in the Church. He wandered a good deal in England and lived an unconventional life, constantly writing verse. He died at the end of the

century.
